

TechCorp Employee Handbook

TechCorp is committed to maintaining a professional, inclusive, secure, and high-performing workplace environment. This handbook outlines the policies, expectations, procedures, and benefits applicable to all employees. Employees are expected to review and understand the contents of this document and comply with all company policies during their employment.

1. Employment Policies

TechCorp is an equal opportunity employer. Employment decisions are based on qualifications, performance, business requirements, and professional conduct. Discrimination based on race, religion, gender, disability, age, or any protected characteristic is strictly prohibited. Employees are expected to maintain professional behavior and comply with all applicable local, state, and federal laws.

2. Work Hours and Attendance

The standard work schedule at TechCorp is Monday through Friday, from 9:00 AM to 5:00 PM EST. Employees are expected to attend meetings punctually and notify their managers in advance regarding planned absences or delays. Repeated unapproved absences may result in disciplinary action. Teams operating across multiple time zones may establish adjusted collaboration hours based on operational needs.

3. Remote Work Policy

Employees are permitted to work remotely on Tuesdays and Thursdays. Additional remote flexibility may be approved by department managers. Employees working remotely must:

- Maintain reliable internet connectivity.
- Be available during core collaboration hours.
- Follow all security and confidentiality guidelines.
- Ensure professional conduct during virtual meetings.

Remote employees remain responsible for maintaining productivity, responsiveness, and communication standards.

4. Compensation and Payroll

Employees are paid on a bi-weekly schedule through direct deposit. Payroll deductions may include taxes, insurance contributions, retirement contributions, and other authorized deductions. Employees are responsible for ensuring that banking and tax information remains accurate and up to date within company systems.

5. Equipment and Technology Usage

All engineers are provided with a MacBook Pro and a \$500 home office stipend. Company equipment is intended strictly for authorized business purposes. Employees must take reasonable precautions to prevent theft, damage, or unauthorized access to company devices and systems. Software installations must comply with company IT guidelines. Unauthorized software or pirated applications are prohibited.

6. Information Security

Protecting customer and company data is a critical responsibility. Employees must use strong passwords and enable multi-factor authentication on all approved systems. Confidential information must never be shared outside authorized channels. Any suspected security incident, phishing attempt, or data breach must be reported immediately to the Information Security team.

7. Code of Conduct

Employees are expected to maintain respectful and professional behavior in all workplace interactions. Harassment, bullying, retaliation, intimidation, discrimination, and inappropriate conduct will not be tolerated under any circumstances. Employees should contribute positively to team collaboration, communication, and workplace culture.

8. Communication Standards

Slack is the primary communication platform used within TechCorp. Employees should maintain professional communication practices across email, messaging platforms, documentation, and meetings. Important technical decisions and project updates should be documented clearly to support transparency and long-term maintainability.

9. Performance Reviews

Performance reviews are conducted twice annually. Employees are evaluated based on: - Technical expertise - Collaboration and teamwork - Communication effectiveness - Leadership contributions - Problem-solving capabilities - Impact on business objectives Managers may provide continuous feedback throughout the year in addition to formal review cycles.

10. Learning and Professional Development

TechCorp encourages continuous learning and career growth. Employees receive an annual learning and development budget of \$1,200 that may be used for: - Online courses - Professional certifications - Technical books - Industry conferences - Workshops and training programs Employees are encouraged to share knowledge with teammates through internal presentations and documentation.

11. Paid Time Off and Leave Policies

TechCorp offers 20 days of paid time off per calendar year. Vacation requests should be submitted at least two weeks in advance whenever possible. Managers will review requests based on team availability and business requirements. Additional leave policies may include: - Sick leave - Parental leave - Bereavement leave - Jury duty leave - Public holidays Unused PTO may be carried forward up to five days into the following year.

12. Health and Wellness Benefits

Eligible employees receive access to medical, dental, and vision insurance plans. TechCorp also provides wellness support programs, mental health resources, and employee assistance services designed to support employee well-being. Participation in wellness initiatives is voluntary and confidential.

13. Expense Reimbursement Policy

Employees may submit reimbursement requests for approved business expenses. Expense reports should: - Include valid receipts - Be submitted within 10 business days - Clearly describe the business purpose Unapproved or excessive expenses may be denied reimbursement.

14. Travel Policy

Business travel must receive prior approval from the employee's manager. Employees are expected to use cost-effective travel options whenever practical. Company-approved booking platforms should be used for flights, hotels, and transportation whenever available. Employees must comply with all travel safety guidelines.

15. Workplace Safety

TechCorp is committed to maintaining a safe working environment. Employees should immediately report workplace hazards, injuries, unsafe conditions, or emergencies to Human Resources or Facilities. Emergency evacuation procedures must be followed during drills and actual emergency situations.

16. Social Media and Public Communication

Employees should avoid sharing confidential information on social media or public platforms. Employees representing TechCorp publicly must communicate professionally and comply with company branding and communication guidelines. Public statements on behalf of the company require appropriate authorization.

17. Termination and Offboarding

Upon termination of employment, employees are required to return all company-owned equipment, documents, and confidential materials. Access to company systems may be revoked immediately following separation. Employees remain bound by confidentiality obligations even after employment ends.
